

PLAKA - CUBE

Dismountable PVC cube for concrete test cube
REF 04.19.08 - Version V01 - 12/08/2020

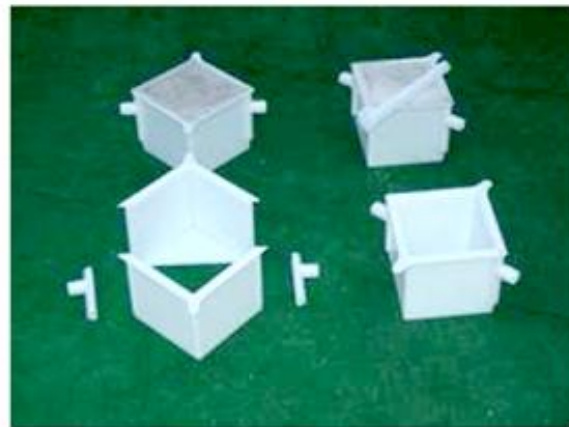

Description

Pvc cube for concrete test cube.

The product is easily dismountable in two parts, is held in place by slider rails. This makes the formwork removal and cleaning after each use very easy.

The cube complies with standard EN 12390-1 : « Tests on hardened concrete- Part 1 : shape, dimensions and other requirements on test pieces and molds ».

Application fields

The cube is used for producing concrete test cubes. (laboratories, universities, ...)
